Objective

Motivated and detail-oriented Full Stack Developer with hands-on experience in React JS, Backend development, and Database Management. Currently honing skills through real-world projects as a Full Stack Developer Intern, delivering responsive and dynamic applications. Eager to leverage expertise in designing and developing scalable solutions while contributing to a forward-thinking organization's success.

Education

Abdul Kalam Technical University, MCA	2022-24
Chaudhary Charan Singh University, BSc CS	2019-22
Sunrise Academy, Intermediate	2018-19
Moonlight Academy, High School	2016–17

Experience

Full Stack Developer Intern, TrayiStats AI Technologies – Noida — Nov 2024 – Present

- Developing and enhancing UI components using React JS for company projects.
- Collaborating with the team using GitHub and JIRA to create responsive and interactive web interfaces.
- Gaining hands-on experience with Node.js and MySQL for backend development.
- Applying agile methodologies for project management and task completion.

Python Full Stack Developer Trainee, DUCAT – Noida — Dec 2023 – Sept 2024

- Gained comprehensive experience in full-stack development using Python and frontend technologies.
- Worked with MySQL for database management, including complex queries, joins, and stored procedures.
- Focused on writing clean, maintainable code following industry best practices.

Technical Skills

Frontend: HTML5, CSS3, JavaScript, Bootstrap, Tailwind, React JS, Redux Toolkit

Backend: Node JS, Express JS, Python, MySQL

Tools: MySQL, GitHub, PyCharm, VS Code, Jupyter Notebook, JIRA

Projects

Project Management Website

- Built and optimized responsive web pages using React JS and CSS frameworks, ensuring a modern user interface and cross-browser compatibility.
- Developed and implemented core functionalities, including creating REST APIs for History logs and Notifications and dynamic data rendering using React and JavaScript.

Portfolio Website

- Created a personal portfolio showcasing skills and projects using HTML, CSS, JavaScript, and jQuery.
- Integrated a modern design and smooth navigation to enhance user experience.

Achievements

- 1st Position in MCA: Achieved top rank in MCA (2022-24) at Harlal Institute of Management and Technology.
- Most Regular Student Award: Honored for exceptional attendance during the MCA academic session.
